

January 23, 2020

Good Morning REDC Members,

Given we're in a recess/impeachment week, here is a quick update/requests:

- February 5th REDC SERVE Act Action Alert: Please Share With Your Centers:
 - Given next month includes eating disorders awareness week, we plan to put a lot of pressure on Congress to co-sponsor the SERVE Act!
 - In turn, we ask all REDC Members to share/coordinate a call your Representative/Senator day **on February 5th**.
 - **Your Staff will only need to click on the below link, put in their address, and it will take them directly to a scrip and call number:** Here is the link:
<https://p2a.co/gx6LQmL>
- SERVE Act Updates:
 - This week we had one new co-sponsor: Freshman Congresswoman Cynthia Axne (D-IA-3)
 - Sen. Murkowski indicated that they will likely co-sponsor, but there are only certain days that a co-sponsor can be added during Impeachment...so we'll have to hold tight
 - We're hearing rumblings that the House Democrats plans to move everything very quickly this year from Appropriations to the NDAA, as they want to be ready to focus more on elections and put pressure on a vulnerable Senate. This means that there will likely be action alerts, etc. ...so stay tuned!
- Finally, thank you to Brian Cook from Alsana for connecting me with Dr. Kyle DeYoung (former AED President) to help find some Wyoming contacts to reach out to Rep. Cheyney! If anyone knows of anyone else from that state, please do let us know!

Best,

Katrina Velasquez, Esq., M.A.
