

Good Afternoon REDC Members,

Hope you all had a wonderful week! Here is your weekly SERVE Act update:

- NDAA Process has officially commenced:
  - As a reminder, the House will be marking up the NDAA on Full Committee on **April 30<sup>th</sup>**, and Senate is expected to markup the NDAA in Full Committee by **May 24<sup>th</sup>**
  - With that, Members and Senators on Committees of Jurisdiction (HASC & SASC) have their NDAA forms to be submitted.
    - We will be submitting these forms to each member on behalf of the REDC, but to add extra pressure we ask that REDC Members participate in the following ways:
    - **REDC Member Participation:**
      - **Center NDAA Form Submission:**
        - We have started and will be reaching out to REDC Members who are based in a Committee Member's state/district to submit the forms (we will draft everything, you just will need to send and update contact info).
        - It's important to note that these deadlines will be coming fast, so we appreciate everyone's help who may participate in getting the forms filled and sent by the deadline.
      - **Center Staff Calls to their Member/Senate Office for all REDC Members:**
        - We also ask that everyone encourage their staff to participate in calling the office the week of Presidents Day in order to place more pressure, and for non HASC/SASC Members- to gain more co-sponsorship. Committee members get hundreds of submissions, so we want to have as much pressure as possible
        - **Your Staff will only need to click on the below link, put in their address, and it will take them directly to a script and call number:** Here is the link: <https://p2a.co/gx6LQmL>
- REDC Advocacy Day Changed to May 13th:
  - As a reminder, REDC and EDC will be conducting a joint advocacy day on **May 13<sup>th</sup>**, which will include requests for the SERVE Act and Nutrition CARE Act.
  - Registration will be opening this week, so keep an eye out for it!
- REDC SERVE Act Briefing:
  - We have 3 out of 4 speakers confirmed, and are expecting the briefing to be at the end of March/Early April based on room availability
